NONCOMPLIANCE SUMMARY

I allege Eddie Hull has violated conditions of supervision by:

Violation Number	Nature of Noncompliance
1.	Possessing or perusing any authentic, altered, manufactured material that depicts and/or describes "sexually explicit conduct," in violation of a special condition of supervision.

United States Probation Officer Action:

On December 20, 2023, during a review of computer monitoring records, I observed Mr. Hull searching for and listening to audio books labeled "Naughty bedtime erotica stories;" "Extreme Erotic sex stories for adults;" "Playboys in Love;" and "Hot Swingers Wife."

I spoke to sex offender treatment therapist, Pasha Grant, regarding Mr. Hull's engagement and progress in therapy. She reported Mr. Hull attended an individual appointment on Monday, December 18, 2023, and denied any urges. We agreed, due to Mr. Hull's history of failing to comply with the rules of computer monitoring and his willingness to deceive Ms. Grant, Mr. Hull will no longer be allowed to access the internet.

I confronted Mr. Hull on viewing the sexually explicit audio books and he admitted to consuming the materials. Mr. Hull admitted to resorting to old coping mechanisms and reporting feelings of depression due to life stressors. I confronted Mr. Hull on his deceptive behaviors when his treatment provider questioned him on his urges.

I advised Mr. Hull he will be removed from the computer monitoring program and will not be permitted to access the internet until further notice. Mr. Hull's restoration of internet use will be dependent, in part, on the recommendation of Ms. Grant and her assessment of his progress in addressing this underlying area of risk and need.

Mr. Hull has struggled in recent months due to the death of his sister and his own physical ailments. He has maintained stable employment and residence. Furthermore, he continues to engage in treatment with Ms. Grant. I encouraged Mr. Hull to be conscientious and forthright in his participation in treatment.

I consulted with Assistant United States Attorney Matthew Hampton, and he concurs with my recommendation.

I respectfully recommend the Court endorse my actions of verbal admonishment and loss of internet privileges.

I swear under penalty of perjury that the foregoing is true and correct.

Executed on this 21st day of December, 2023.
